

‘Finance Training Part 1 (P & L) for HE Commercial Managers’

Tuesday 19 February 2019

Halifax Hall Hotel, The University of Sheffield

CUBO Member Rate £345 + VAT

General Member Rate £414 + VAT

Who should attend?

*A course designed for Non - Finance Managers at an advanced level.
A level of understanding of P&L required for attendance.*

Overview

This course has been designed by business people, with real life experience of how finance understanding can help drive business performance and profits.

Finance decisions are taken at all levels in an organisation, that impact the overall company results. The ability to read finance reports, and apply them in a practical sense, is the cornerstone of an effective manager, director, and leader.

This course starts by assuming no prior knowledge of finance and accounting, and carefully explains and practically illustrates the various components of finance reports.

Interpreting finance reports to practically further the business, is the outcome of this course, delivered by a trainer who holds 29 years’ experience in growing businesses.

All course notes will be provided.

Why should you attend?

By the end of the day delegates will have a working knowledge of strategic business finance and be confident of being able to read accounts and ask relevant questions.

At the end of the course delegates will be able to:

- Read and analyse P & L accounts
- Understand the various terms and measurements and apply them practically in your business
- Understand the difference between profit and cash flow
- Take the lead on credit control and pricing to maximise profit
- Understand why a balance sheet exists and the statutory filing needed

- Able to ask questions that uncover hidden or vague details

What are the aims of the training session?

This course has been developed by Business people, for business people. Usually aimed at the Senior Executives in an Organisation of any size, this one day workshop assumes no starting knowledge at all.

The course elements consist of the following:

- Introduction to Finance
- Nominal Accounts
- Profit and Loss Accounts
- Cash Flow Management
- Basic Introduction to Balance Sheets
- Case study work

The day closes around 5 pm, but ongoing lifetime support is offered to all delegates in respect of any queries relating to finance and financial understanding.

What are the benefits of attending?

- Develop the skills and insights that build confidence in matters of finance
- Improve financial analysis and deepen understanding
- Learn from the experiences shared with others during the day

About the Presenter
