Overview

This one day and one night seminar is a unique opportunity to learn and experience the application of modern techniques.

The course will commence with a networking dinner at Inox Dine, Western Bank on the University’s main campus.

On Thursday,

The Course will cover:

- Use of transglutaminase – Meat glue
- Alternative gelling agents – Ultragel
- Heat stable ice creams and parfaits – Gellan Gum Type F
- Introduction to working with liquid nitrogen
- Foaming agents – Ultra foam
- Fluid Gels - Ultratex

The Venue

This training event will be held at MSK Ingredients, Office Suite A, Sheepbridge Business Park Sheepbridge, Lane, Chesterfield, S41 9RX. Accommodation will be provided at Jonas Hotel, The Endcliffe Village, Endcliffe Cres, Sheffield S10 3ER.

Further information about the venue can be found at:
